Confused about recruiting?
Work with our KOHR approved experts to help you find your way!

WHO WE ARE?

Rich Brazeau is a former college player, coach and AJGA Employee. As one of the AJGA College Golf advisors, he has helped over 250 families navigate junior golf and college placement. Colin Laszlo was a member of an NCAA Championship team at Wittenberg University and coached at his alma mater for 3 seasons.

WHAT WE DO?

The College Golf Guide is the preeminent college golf recruiting resource that has been helping families since 1981. We offer in-depth analysis on every college golf program as well as over 30-years of Golfstat scoring data on every program. We offer search functionality based on over 20 academic and scoring metrics.

FINDING THE RIGHT FIT!

Our biggest priority is helping your family find the best possible fit both academically and athletically. We specialize in helping families maximize time and resources throughout your recruiting journey.

COMMUNICATION STRATEGY

We will help your junior to develop a personal strategy on how to communicate with coaches effectively, efficiently and enough!

PERSONAL SERVICE

Our goal is to walk beside you on your journey and be there for you every step of the way.
